Daisy Baker's Mother Says

It Really Doesn't Take Much Time to Bake at Home

Many women hesitate about baking at home because of the time they think it will take.

The fact is that in these days it doesn't take long at all. Simply use more yeast. It won't taste in the bread if the dough is closely watched and put in the oven at the right time.

With prices the highest in years, you owe it to yourself and family to take the little time necessary to bake at home.

Do your part in saving by cutting your bread cost in two—and give them better bread.

Of course, a lot depends on the flour you use. My favorite is William Tell. It has a delicious natural flavor and wonderful baking qualities. It's made in Ohio—guaranteed under the Ohio Better Flour Label, by the Ansted and Burk Company who make it, and by the grocer who sells it.

Use WILLIAM TELL Flour

The flour of the triple guarantee that takes the ache out of bake and puts the flavor in.

THAT youth and energy are great assets none will deny. They help a lot in the battle of life. Frequently, however, men who possess both youth and energy suddenly discover that they need a little capital. A business opportunity finds them without any cash.

Young man, don't be caught this way. The successful business men of the country freely declare that they owe their success mainly to the fact that they opened a bank account early in life. Then when the chance for an investment came along they were ready for it. Youth and energy make a fine combination. But youth, energy and capital are invincible.

Corns Loosen Off With Magic "Gets-It"

2 Drops Do the Work, Painlessly.

"I tell you, before I heard of 'Gets-It' I used to try one thing after another for corns. I still had them. I used bandages and they made my

toe so big it was murder to put on my shoe. I used salves and other things that ate off more of the toe than they did the corn. I'd cut and dig with knives and scissors, but now no more fooling for me. Two drops of 'Gets-It' did all the work. It makes the corn shrivel and get so loose that you can just pick it right off with your fingers!"

There has been nothing new discovered for corns since 'Gets-It' was born. It's the new way—the common-sense, simple, sure way. 'Gets-It' is sold everywhere, 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

Sold in Norway and recommended as the world's best corn remedy by F. P. Stone, Frank Kimball and the A. L. Clark Drug Co.

Rheumatism, gout, lumbago, neuralgia, sprains and bruises are quickly relieved by its use. Cleaner and more promptly effective than musky plasters or ointments, it does not stain the skin or clog the pores.

The family medicine chest in thousands of homes has a place for Sloan's Liniment. At all druggists, 25c, 50c, and \$1.00.

Sloan's Liniment KILLS PAIN

INTESTINAL WORMS STOMACH WORMS

Do your children show symptoms of worms? Do they eat at times with abnormal hunger, and again show loss of appetite? Are they more or less fretful and irritable with occasional fever and fitful sleep at night, gritting the teeth and tossing restlessly?

If so, look out for worms, so common in young children, so often the undetected cause of anxiety to parents. For sixty years, "L. F." Atwood's Medicine has proved a valuable remedy for worms in childhood, and many a mother can testify to its merits in relieving her children when suffering with these distressing symptoms. Safe and reliable, small dose, large bottle, 35 cents at your dealer's. Sample free from "L. F." MEDICINE CO., Portland, Maine.

DON'T NEGLECT WOUNDS

ASTOUNDING REPORT FOR NORWAY

The wife of a merchant had stomach trouble so bad she could eat nothing but toast, fruit and hot water. Everything else would "sour" and ferment. ONE SPOONFUL of buckthorn bark, glycerine, etc., as mixed in Adler-ika benefited her INSTANTLY. Because Adler-ika flushes the ENTIRE alimentary tract it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICKEST action of anything we ever sold. F. P. Stone, druggist.

Chronic Coughs

When any affection of the throat, bronchials or lungs has passed the acute stage and still clings stubbornly, you should take a good constitutional remedy, such as

This remedy has specific action on the cells and tissues of the air passages. It cures serious lung troubles that nothing else will cure.

EAST OXFORD
Mrs. George E. Brown and daughter Theresa visited their relatives at Bryant Pond over Sunday.
Annie and Meloe Greely visited Annie Fuller all day, Saturday, March 31st, it

being her seventh birthday. Her mother made sandwiches, fancy cookies and a pretty birthday cake with 7 candles, which was much enjoyed. She received a pair of rubber boots and several other nice presents. Other school mates were invited, but were unable to attend.

CARD OF THANKS
We hereby take this opportunity to tender our heartfelt thanks to our neighbors and friends for their assistance and generous sympathy in our time of great affliction, and also to the various societies and individual friends for the beautiful flowers used at the funeral of our devoted wife and mother.
It is one of the most pleasant things in this life to know that we have lots of friends and especially in the time of sorrow and affliction.

WEST PARIS
Easter will be observed in each of the three churches here next Sunday. In the morning the sermon and music selections appropriate for the day, also church additions by baptism or letter or both. In the evening the Sunday schools will give a concert at the Baptist church. There will be exercises by the various classes with a mission dialogue by seven young ladies, chorus music and an offering taken for missions. It is presumed that the evening exercises at the Methodist and Universalist will be similar. Everybody is cordially invited to attend one or another of these places and make it a real "go-to-church-day."
Mrs. Abner H. Mann and little daughter spent last week in Norway, visiting Mr. Mann's mother.
At the Universalist Parish meeting last Tuesday evening, the following officers were elected:
Moderator—Dr. F. E. Wheeler.
Clerk—Lester H. Penley.
Trustees—Lewis C. Bates.
Trustees—L. C. Bates, F. E. Wheeler, E. D. Stillwell.
Chorister—Della H. Lane.

Delegates were also chosen for the state convention at Rockland. A hearty unanimous vote was taken to request the pastor Rev. D. A. Ball to remain another year, which will be his seventh year here. There was a good company present to the supper, which was served first and remained for the meeting which followed.

The sale and entertainment at the Centennial hall last week, Thursday, was very successful. A nice lot of nice food was displayed which found a ready sale, likewise of candy, popcorn and aprons. The entertainment in the evening consisted of two selections, "Swing High, Swing Low" and "Eventide" by the Baptist quartette; a duet "When Life Is Brightest" by Mrs. S. T. White and Clayton A. Churchill; a vocal solo, "If I were King" by Dana A. Grover; three piano solos, "Far Away" by Brinkman by Mona Billings, "The Doll's Ball" by Olga McKeen and "A Portrait" by Rubenstein" by Mrs. D. A. Grover; a dialogue by four girls entitled "How come do we come to go as missionaries and the Farewell Song," by Della and Ruth Cole, Thelma Emery and Olga McKeen. The farce closed the entertainment and all did fine considering that it was with one exception the first stage appearance and they received no professional coaching. Alanson Cummings, who was the main character in the play, is all right and deserves much praise.

Zelia Pierce is home from her school in Saco for a week's vacation and her uncle, Lewis Pierce, came with her. The union mission class study held their last meeting Monday afternoon with Mrs. D. A. Ball and finished the study of the book World Missions and World Peace, by Caroline Alonzo Mason, on which they have been meeting weekly all winter to study. The class of a dozen or more representing the three churches of the place have derived much benefit from its instruction. After the study Mrs. Ball and Mrs. Grundy served a dainty dish called the "seven courses" treat and a social hour was enjoyed.
See G. H. Hamlin, D. D. of Lewiston paid the Baptist church another visit this week, Wednesday and Thursday. A special business meeting was held Wednesday evening in the interest of the church.

WHY A PIANO?

We are HAPPIEST when our lives are FULLY ROUNDED OUT by the proper experiences, and if we don't include ART in those experiences, we have missed the combination. MUSIC is just as much needed in our home—in ANY home—as different foods are at a meal. We can't get along on bread alone, or meat alone, or anything else by itself. And we can't say that we have lived up to our full measure without music. The PIANO is an essential in your home—because its results is an important part of Happiness. And to be Happy is to have secured the best that life holds.

KEZAR FALLS.

Conference convenes at Westbrook, commencing April 11th. Rev. Cymbrid Hughes' many friends hope he may be returned again to Kezar Falls.

Oliver, the little child of Mr. and Mrs. Orman L. Stanley, passed away on the evening of March 29th, after an illness of almost two weeks. Services were held at the residence on the afternoon of Sunday, April 1st. Rev. Cymbrid Hughes spoke most comforting words, and a beautiful solo was rendered by Mrs. Harold Lord. Interment in Kezar Falls Riverside Cemetery.

During the services at the M. E. Church last Sunday, six children were baptized and a class of eleven received into probationary membership. The singing by a class of young people under the leadership of B. F. Bidon was also a source of much pleasure to the audience.

Rev. Lewis Swan, formerly of Cornish, has moved with his family into a rent on the Parsonsfield side of the river.

Frank Boston, a civil war veteran of this place, remembers April 2nd very vividly, not only as being the 52nd anniversary of the evacuation of Richmond, but also of the passing of a bullet through the palm of his hand.

The meetings of the Ladies' Circle, which were postponed indefinitely last November on account of sickness and rough weather, have again been resumed, the season opening Tuesday afternoon at the home of Mrs. Allen Garner.

The snow is melting rapidly, the river is free from ice and mud time will soon be a thing of the past.

You Can Make Excellent Cake with Fewer Eggs

Just use an additional quantity of Royal Baking Powder, about a teaspoon, in place of each egg omitted.

This applies equally well to nearly all baked foods. Try the following recipe according to the new way:

CREAM LAYER CAKE

Old Way	New Way
1 cup sugar	1 cup sugar
1/2 cup milk	1 cup milk
2 cups flour	2 cups flour
2 teaspoons Royal Baking Powder	4 teaspoons Royal Baking Powder
3 eggs	2 eggs
1/2 cup shortening	2 tablespoons shortening
1 teaspoon flavoring	1 teaspoon flavoring

Makes 1 Large 2-Layer Cake

DIRECTIONS—Cream the sugar and shortening together, then mix in the eggs. After sifting the flour and Royal Baking Powder together two or three times, add it all to the mixture. Gradually add the milk and beat with spoon until you have a smooth pour batter. Add the flavoring. Pour into greased layer cake tins and bake in a moderately hot oven for twenty minutes. This cake is best baked in two layers. Put together with cream filling and spread with white icing.
